

Metro Wastewater Reclamation District
Environmental Management System for Biosolids

Element 10: Biosolids Recycling & Alternatives (BVC) – Restricted Distribution –Crop Restrictions (CCP) – Table

Revision: 06	Revision Date: 06/21/08	Approved By:
--------------	-------------------------	--------------

PURPOSE

To apply Class B biosolids to land application sites with crop rotations conducive to regulatory requirements.

SCOPE

The processes used to ensure future crops to be grown on the site are on the proper rotation to satisfy the harvest restrictions in the regulations.
