

Metro Wastewater Reclamation District
Environmental Management System for Biosolids

Element 10: Biosolids Recycling & Alternatives (BVC) – Restricted Distribution –Groundwater Restrictions (CCP) – Table

Revision: 07	Revision Date: 06/24/09	Approved By:
--------------	-------------------------	--------------

PURPOSE

To apply Class B biosolids to suitable land application sites with appropriate depth to groundwater.

SCOPE

The processes used to ensure depth to groundwater is adequate and meet the minimum regulatory requirements for the land application of biosolids.
