

Metro Wastewater Reclamation District
Environmental Management System for Biosolids

Element 10: Biosolids Recycling & Alternatives (BVC) – Restricted Distribution –Slope Requirements (CCP) – Table

Revision: 07	Revision Date: 06/24/09	Approved By:
--------------	-------------------------	--------------

PURPOSE

To apply Class B biosolids to suitable land application sites with appropriate slope levels according to the regulations.

SCOPE

The processes used to ensure ground slope is adequate as the regulations dictate for land application of biosolids.
