Colorado Area RV Holding Tank Dump Locations

Update 7/13/2010

The Metro District does not have facilities to accept recreational vehicle (RV) holding tank contents at its York Street location. Below is a list of places that will take holding tank wastes. It's best to call before going to the facility. If you hear of other facilities, which accept recreational vehicle (RV) holding tank wastes, please contact Tammy Walker at (303) 286-3000.
